Ephesians 4:32

A heartfelt thank you to those who came along and supported our Book Fair. We will let you know how much we've raised to further improve our reading resources in school, once we have the final total. It's definitely worth a reminder here that there is great value in you regularly reading to your children, as well as you listening to them read. Research shows that children who read regularly, and are read to, learn more about the world around them, and their opportunities are broadened as a result. It has certainly been a wet and wild week of weather, and as we move further into the Winter months, please can I ask that you ensure your child has an appropriate, warm, and waterproof coat along with sensible shoes for this time of year. A reminder too, that our Uniform platform offers a great range of upcycled school uniform at low prices.

Maths Week England

This week the children have joined in with children across the UK, taking part in Maths challenges & puzzles. Why not ask them about what they've discovered.

MRS SEAGRAVE'S GREAT MANNERS AWARD

I am delighted to have presented my special awards for excellent manners and a wonderful, respectful attitude to:
Sharlyne in Year 4
Well done and keep shining brightly. I am very proud of you.

★ Sports News ★

Today, I have awarded our Football Team my special Headteacher's Award for their outstanding sportsmanship at the matches played last night against Goosnargh Oliverson's & St Joseph's. We lost one game and drew in the second match, but it was the team's attitude and resilience that filled me with so much pride. A huge well done 😊
