

**TRUST
IN THE
LORD
WITH ALL YOUR
HEART**
- PROVERBS 3:5

Dates for the diary

14th – 21st February – Half term

16th & 17th March - Parents' Evenings

Courageous Advocate

Zach Williams was making poor choices in his life until he decided he had to make a change and turned to Jesus. He now goes into prisons in America to sing his songs and remind people that you can always change the path you're on to make the right choices.

Diamond 9

Our Diamond 9 word this week in class has been '**collaborative**'

Classroom News

Friday 4th February 2022

This week we have learnt the story of Jesus healing the blind and had a turn at wearing a blindfold to imagine what it feels like to not be able to see. In our Maths work we have explored capacity and have been able to fill a variety of different containers. In our Science we have looked at ice and thought about ways to make it melt. We have also enjoyed making rockets and then writing about how we made them.

Next Week...

We will be looking at the numbers 6, 7 and 8 and how we can make these numbers. We also will be looking at the NSPCC 'PANTS' rule, following on from NSPCC Number Day, and talking about how we can keep ourselves safe.

Library Books

It has been brought to our attention that there may be some unsuitable images or language in a very small percentage of the free reading books that your child may bring home. This, of course, is disappointing and is not in line with our Christian ethos. As our class libraries have a large number of books in them, it is almost impossible to check them all as thoroughly as we might like and, therefore, we are asking you, as parents and carers, to be mindful when reading with your child, and make us aware of any reading material which is not suitable for our children. It will then be disposed of.

Thank you.

ONLINE SAFETY DAY- Tuesday 8th February

Please take the time to check your devices at home and ensure your child is only able to access content appropriate for their age. You can place parental locks on, to monitor and limit what your child can access and can set time limits on devices to reduce the amount of screen time your child has.

Curriculum Award – Aaron, for great understanding of capacity in Maths

Christian Value Award – Summer, for working collaboratively and showing trust in others. These children have let their lights shine brilliantly this week! Well Done
