

# Class Newsletter

## Spring Term - 28/02/2020

### This Week

We have settled back reasonably quickly into class life again. We have had a move around of seats and have managed our behaviour in the midst of not much time outside (due to the weather!) In **English**, we have started a new unit on historical fiction using the book 'Escape from Rome'. This applies our knowledge that we are going to learn in History. In Maths, we have focussed on deepening our Place Value knowledge further. In **RE**, we thought about how art evokes sadness and joy. We looked at three pieces of Easter art and discussed how they made us feel. In **Science**, we began our unit on Living Things and their Habitats by exploring and finding as many living things (predominantly minibeasts) in our school habitat. Harry even managed to find a frog! In History, we explored how life was different before the Romans invaded and researched how the Celts lived. In **PE**, the Year 5 children went swimming.

### Outdoor Worship Area

Thank you to everyone who has donated plants, bulbs and seeds for our Outdoor Worship Area. If you have a non-plastic plant pot that you are willing to donate, please send those into school as soon as possible. Thank you.

### Sing Together

A reminder that on Thursday 5<sup>th</sup> March, those children who are attending the Sing Together concert will need a packed tea. Our collection point is G inside King George's Hall. The concert is due to finish around 7:15pm.

### Stars of the Week

The **CHRISTIAN VALUE** award for **JUSTICE** goes to **Lewis** for always trying to ensure that everyone is included and has an equal voice.

The **CURRICULUM** star is **Harry** for incredible bravery and skill in identifying and catching a frog in Science.

### Behaviour

The children whose behaviour has shone this week on Outstanding at least 3 times are:

Emmanuel, Ethan, Evie, Faith, Faye, George G, George K, Isaac, Jake B, Jake C, Jensen, Katie, Lottie, Ryan, Tyler

### Important Dates
