

Diary Dates

15th December - Christmas Dinner

Please send forms back with your preference.

Courageous Advocate

Charles Wesley 1707- 1788 is best known for his prolific hymn writing and poetry. He wrote a great many hymns, some of which we still sing today.

How many songs singing God's praises did he compose? Try and listen to some of the most popular ones.

Diamond 9

Our Diamond 9 word this week in class has been 'Flourish'.

Classroom News

Friday 27th November 2020

This week we enjoyed listening to the story 'Dear Zoo'. We have used our cutting and writing skills to make a page for a class book. We talked about which animals make good pets, and sorted animals into groups of either wild animals or pets. We learned that some animals are in both groups.

In RE we thought about birthdays and how they are special times for us. We solved some clues to work out whose birthday we will be celebrating soon.

Harvest Appeal

The children were fantastic on the Sponsored Walk and all managed to do the whole 10 laps with the support of their buddy. Well done Reception! Please send your sponsor money in as soon as possible.

Christmas Cards

We are aware that many children will want to send Christmas cards to each other. We therefore have a range of ways that children can do this in the current climate:

- ✚ Children bring in their cards on either a MONDAY or a TUESDAY. These will then be quarantined and distributed on the FRIDAY of that same week. Please tuck the lid of the envelope rather than licking them.
- ✚ Rather than sending in cards, you may wish to make a donation to our chosen charity, NEST Lancashire; an organisation which supports children with mental health and wellbeing challenges. Please send your donations in an envelope.
- ✚ If you do **not** wish your child to receive Christmas cards, please contact school to let us know.

To all of our friends isolating at home – we miss you, and cannot wait to see your happy, smiling faces again soon!

Curriculum Award – Jordan for designing a fantastic birthday card using pens and collage materials.

Christian Value Certificate for Hope – Peter for persevering with his letter formation and showing great resilience.
