Dates and Information for this half term

Parents' Evening Dates

Tuesday 25th March – 3:30pm – 5:30pm

Wednesday 26th March – 3:30pm – 5:30pm and 6pm – 7pm

Please note: the sign up sheets for Parents' Evening will be in the entrance hall next week. A text will be sent out on the day.

Wednesday 9th April – Easter Celebration @ 10am

Thursday 10th April – Break up for Easter at 2pm
School re-opens for Summer Term **Tuesday 22nd April** @8:45am

Morning Gate Access

Access through the side gate in a morning is always a busy time.

Please be aware that there are often delivery wagons on the drive and staff cars are also parked in this space. I have spoken to the children about not playing games of tig or chasing games on the drive, or the grass in front of the school kitchen, as this could result in damage to property or them hurting themselves. Thank you for your support with this.

British Science Week

This week is British Science Week with the theme for 2025 being 'Change and Adapt' Each class has been focusing on a different element of changing and adapting; Class 3 have explored **Camouflage**. We found out there are four different ways for animals to camouflage and learned some new vocabulary. We did some incredible artwork to demonstrate this, before presenting our learning in a special Science Assembly with the whole school.

Class Superstar – Lyla for taking her learning out of the classroom and doing some amazing artwork.
Harrison for trying really hard to be more responsible and mature with his learning

Writer of the Week- Leah for writing a super diary entry in the role of Pongo the dog
Rylee for writing a great character description from 101 Dalmatians

Christian Value – Xander for always showing compassion and forgiveness towards others
Alexander for being a good example of thinking of others more and himself less.

In Class

We were blessed to have Mr Seagrave come and visit our class to talk about his journey of faith; how Jesus has changed his life for the better and how "doing good to others helps people feel good themselves". It was a great way to apply our understanding of Jesus changing lives, and we all loved listening to this humble, gentle servant of Christ. We are enjoying our focus novel, 101 Dalmatians in English, and have been doing lots of incidental writing about some of the main characters in the story. Our Maths work is all about fractions, a major topic in lower Key Stage 2 Maths. We have been busy learning about equivalent fractions, non-unit fractions, counting beyond a whole one and converting mixed fractions into improper fractions and vice versa – some tricky stuff here! Mrs Morris is guiding the children through a unit of Dance in PE and the children have also been learning how to draw a realistic tiger in Art.

Our Christian Value this week is HUMILITY
