

**SCHOOL
IMPROVEMENT
PLAN
2018-2019**

To ensure pupils' attitudes to all aspects of school life are consistently outstanding

Pupils have a well developed understanding of the culture and faiths of different people and communities

Governors are fully involved in the monitoring and evaluation process-focus Disadvantaged pupils

To continue to provide a safe, Christian learning environment where pupils achieve their highest potential

The quality of teaching is consistently strong across all subjects

A rich broad and balanced curriculum that better meets the National Curriculum requirements and the needs and interests of pupils is established

Inspire children to go THE EXTRA MILE in all areas of their learning by making every lesson count

The assessment process is extended to include Foundation subjects

The progress of children is accelerated through high quality class teaching and accurately focused interventions

All pupils use grammar, punctuation & spelling confidently and accurately in their work

Further embed our Christian Values linked closely with British Values

Children are confident in using and evidencing a range of strategies in Maths

Provide a "DEEP and WIDE" learning experience for every child

The Data and tracking systems are enhanced to identify key groups

Further liaison between subject leaders and link governors encourages mutual accountability

All pupils are sufficiently challenged and reach the high standards of which they are capable

Disadvantaged pupils are supported and challenged to make accelerated progress
