"Let your light shine"

No. 2

11th September 2020

We have enjoyed settling into our new classrooms and completed our first full week. I am so proud of how the children have adapted quickly to their new routines. They have shown amazing courage coming into school each day with smiles on their faces and have shown immense responsibility remembering where to put their book bag, where to put their water bottle and which classroom to go to after lunch.

Year 1 children are taught in the morning with Miss Courtney followed by afternoons and each Friday in their respective classes, with either Mrs Ramsay (Class 2) or Mrs Bamber (Class 1).

Learning in Year 1

English

We have been practising our handwriting and presentation skills. We have also been revisiting our letter sounds and trying our best to blend letters together to read. We will continue next week with poetry and rhyme, with the help of Harry the Mouse. The children have all worked really well to write lots in their books and recognise rhyming words.

Maths

The class have been working really well to write numbers 0 to 20 and recognise number names to 10. We have been doing lots of counting and counting in 10's. We will continue to identify and represent numbers using pictures. We will also use number lines to practise counting.
