### Class News

#### In Year 1...

Last week in English we looked at the book, 'The Wide, Wide Sea'. We learnt about lots of different things we might find at the seaside like whelks and barnacles, gulls and gannets.

This week, we have read Tiddler and were telling our own 'tall tales'.

In Maths we have been continuing to count in 2s, 5s, and 10s. and looking at multiplication arrays.

.....  
**The KS1 Team have been busy planning our Trip.**

**As we are learning about the Seaside and Blackpool, we have booked to visit Blackpool Tower on the 9th July.**

**Whilst there, we will take a trip up the eye and then experience some traditional seaside entertainment at the Circus.**

**The cost of the trip will be £19 (details to follow).**

#### In Year 2 ...

What a busy start to the summer term!

In our English, we have been enjoying 'Alfie' stories by Shirley Hughes.

This week we have focused on the story 'Alfie Outdoors' and used present tense in our writing. In our Maths, we have started a new topic on Fractions and have been looking at shapes to recognise half, quarter and a third. Next week, we will focus more on finding fractions of amounts.

In our Science, we have been planting bulbs and examining bulbs to identify and label the different.

Did you know? The outside of a bulb is called a tunic!

In RE, we have begun learning about Ascension and Pentecost. Last week, we shared our personal memories of saying goodbye and this week we have been exploring the concept of Heaven and what it could be like. The children have been preparing their words and pictures to share during their worship next week.

Wishing you all a very happy May Day holiday,

*Mrs Ramsay & Mrs Bamber*
