

I can't believe this is our last half term in school before Year 6 leave us to start their high schools. It's set to be both a busy and enjoyable time that will prepare the children for the next part of their journey as well as give them memories of primary school for life.

As always, if you have any questions or concerns, please contact me via the school office or email: k.morris@leacof.lancs.sch.uk

In Class...

Last week, in English, the children wrote and presented speeches about what they would do if they were elected as Prime Minister! This week we have written letters to local businesses asking for raffle prizes for our Enterprise Summer Fair. In Maths, we have been solving mathematical puzzles and problems.

In R.E, we have been answering the question, "What is Faith?" The children have also been taking part in 'Bible Explorer' which is an interactive walk through the bible! Additionally, Class 5 presented a worship to the whole school last week with the theme 'LET YOUR LIGHT SHINE!' We have also been planning activities for our Summer Fair (please see the separate letter sent earlier this week). The children have also been thoroughly enjoying their daily swimming lessons; they have been listening carefully and trying really hard. We look forward to continuing swimming next week!

Competition

To celebrate our Extreme English Week which is being held in school week beginning 4th July, we are holding a competition.

Children are asked to design and make a diorama of their favourite book or story. This could be a fairy tale, a picture book or a favourite novel. A diorama is a 3D scene, often created in a shoebox or similar, and decorated creatively. See the picture for an example

All entries need to be brought into school by Thursday 7th July and will be displayed in the school hall on Friday 8th July. There will be prizes for the best Infant diorama and the best Junior diorama. We cannot wait to see your creations!

Uniform

Please ensure children wear school shoes on non- PE days and correct shorts for P.E. (no cycling shorts). Thank you for your continued support.

Don't Forget!

OPEN DOOR

Monday morning 8:30am until 8:45am.
Please feel free to visit our classroom and ask any questions you may have.

Important Dates

- w/b 27th June Y6 Swimming continues! – **we will swim EVERYDAY**
- Wednesday 29th June – Super Science day
