Week 1

1 Peter 2:9-11 But you are chosen people. You are the King's priests. You are a holy nation. You are a nation that belongs to God alone. God chose you to tell about the wonderful things he has done. He called you out of darkness into his wonderful light. At one time you were not God's people. But now you are his people. In the past you had never received mercy. But now you have received God's mercy. Dear friends, you are like visitors and strangers in this world... So live good lives. *International Children's Bible*

Many Christians use the time of Lent for reflecting on their faith and the Easter story. Some people choose to go on a pilgrimage, a walking journey, that gives them space to reflect and think about their relationship with God and how they can follow Jesus' example and be loving, giving and compassionate to the world around them.

Walking Pilgrimages are often quite simple, and people carry very little, but there are some key items that help people to find their way. Our first item today is a **lamp**. **Watch our short video** on the next slide, explaining what pilgrimage is and how a light can help us during our Lent journey.

“ An increase in their confidence and self-belief is seen as they develop the courage to make even the smallest of changes to benefit others. To watch the children sense of pride as they work together to become young leaders is a privilege. ”
