

Class 3 Newsletter – 14.6.19

This Week...

Welcome back to school! I hope that you all had a super break; many of you seem to have been on holiday and the children were excited to write all about it on Monday morning. The rain has definitely stayed with us this week! This half term is shaping up to be a busy and fun filled time so we are praying for the sunshine to return so that we can get outside and enjoy some learning al fresco! We have been debating playtimes in our English this week and the children have been forming their own opinions and writing persuasive letters to Mrs Seagrave. This has also been a good opportunity to show respect for the opinions of others. We have been subtracting in our Maths, and using decimals, before moving onto solving problems with money. Our Science unit continues with Forces. We have been testing the friction of different shoe soles to determine which shoe would best suit hill walking, dancing and playing on the playground!

Useful Information

17th June – Fathers' Day Afternoon Tea – 2.30pm – 3pm. Please bring donations of cakes on Monday morning; they will be much appreciated.

24th June – Production of The Hobbit in school – please send in forms and money for this exciting event ASAP.

3rd July – Year 6 Enterprise Afternoon – details to follow

4th July – Sports Day – 12.30pm weather permitting – all welcome

11th July - 2pm – 3pm – Showcase – all Class 3 parents invited to join us for an 'Arty session'!

Help!

CAN YOU HELP? We are trying to raise money to replace the **Playground Gazebo**. A "Bag Pack" has been organised at Morrison's on Saturday 22nd June from 10am-6pm in order to raise funds for school. We are asking for children aged 8+ (must be accompanied by an adult- 1 adult up to 4 children per till) to come along and pack members of the public's shopping at the checkouts. If you are able to spare an hour or so, please sign up to a "slot" on the sign-up sheet –available in the school office or call the office to book in a session.

Next Week -

We shall be completing some Maths assessments to establish how confident we feel with the Maths we have done this year to date and determine any areas which may need revising or extra support. We will begin looking at advertisements in our English, their use of persuasive language and the strategies used to encourage customers to buy the product. We shall also be doing some reading comprehensions. Our RE will look at the Jewish festival of Purim and link to the work we have been doing on Esther.
