Year 2 Newsletter

Friday 22nd April 2022

Our Christian Value this week is **Truth**.
Why is it so important to forgive others?

Hello Parents and Carers,

We hope you all enjoyed the weather over the Easter break and are delighted to welcome you all back for another busy term of learning.

Our topic this half term is 'In the Woods' and we will be exploring plants in our science work and getting active outside with learning.

Our RE topic this half term focuses on Baptism and Birth Rites for other faiths. Thank you to those parents who have already sent in photos of baptisms/Christenings this week. We will be sharing these in our class work next week.

Learning in Class

This week we have been sharing our experiences of Easter activities and focused on nouns and noun phrases to write a setting description. We have explored our outdoor areas to look for seasonal changes and investigated the different types of plants. The children also observed tree blossom closely to create observational drawings.

In our maths learning we have focused on place value and recording numbers in different ways using equipment, bead strings, pictorial representations and number words.
