### Courageous Advocate

We had a very special Courageous Advocate this week, created by our Buddies in Class 5.

**Eric Liddle** was born in China to missionary parents. He was a devout Christian. At the 1924 Olympics he refused to run as they were held on a Sunday.

Which race did he run instead?

### Diamond 9

Our Diamond 9 word this week in class has been 'Courage'.

### Reception Classroom News

#### Friday 25<sup>th</sup> June

This week we shared the story of Meerkat Mail and discussed the different places in it, thinking about how they differ from Preston. We have been learning about odd and even numbers and exploring what makes them different. In RE we looked at how Muslim children pray, and compared and contrasted it with our own experiences. We looked at how Blackpool has changed since Victorian times.

#### Next week...

We will look at how some materials can be changed by applying force. We will think about what an island is and talk about islands we might have visited on holiday. We will think about treasure islands, and might go on a treasure hunt of our own!

#### Race For Life

The Race for Life is Cancer Research UK's biggest series of fundraising events taking place across the UK. Every two minutes, someone in the UK is diagnosed with cancer and our support will help continue ground-breaking work to see more people surviving cancer.

The children at Lea Endowed will be taking part on 7th July. The link to make a donation can be found below and on our school website home page.
