### Class News

Hello, everyone and welcome to the new school year! It has been lovely welcoming Year 5 back in to Class 4, as well as those who are new to their year group. We have got off to a flying start, with lots of learning going on! In maths, we have been looking at place value up to 10,000 (Y4) and 100,000 (Y5). In English, we have been looking at information texts about a very famous Tudor King! Ask your child about why King Henry VIII is so famous! In RE, we have been looking at the story of David and Goliath and considering how David showed courage. In Science, we have started our learning on magnets and forces by planning out our very own investigation to test how friction impacts objects moving on a surface. In PSHE, we have been talking about what makes us unique and showing mutual respect to others. In history, we have started our work on The Tudors by sequencing the events of the period in chronological order. In art, we have started out topic on cityscapes by looking at the famous artist Stephen Wiltshire. Ask your child how he creates his artwork, it is absolutely phenomenal! Thank you to everyone for a fantastic start to the term, it is a continued collaborative effort and we are incredibly grateful to you all for your preparation for the "back to school" fun!

Mrs Griffin and Miss Turner 😊

### Important Notice

To clarify, regarding earrings during PE, it clearly states on our website that no earrings or jewellery should be worn for PE for the health and safety of your child. **Please remove your child's earrings in the morning before they come into school, on PE day (Thursday).** We have consulted Lancashire County Council on this matter and our school policy is written in line with national guidelines. Thank you for your support with this.
