

Year 1

Mrs Lucarelli and Miss
Courtney's Weekly
Newsletter.

1st October 2021

Food Glorious Food

We had lots of fun this week making butter and fresh bread. It tasted delicious. All of the children took turns shaking the cream and mixing/kneading the bread. We enjoyed hearing how Mrs Edwards milked the cows and looking at the machines it travelled through.

Homework this week is to make something at home. This could be a variety of things, something edible, a craft, a game etc. My intention is that the children will have something exciting to talk about so that they can practise their speaking and listening skills in class. Please practise speaking about what they have made, clearly and in full sentences, in preparation for next week's learning.

BISHOP'S HARVEST APPEAL 2021

This year our Harvest appeal is supporting the work of the **Mosamaria Trust**. Their Orphans and Vulnerable Children programme looks after children who have been orphaned by the various illnesses associated with AIDS.

Mosamaria provides food and education for these children. On **Friday 8th October**, we are going to be having a special Harvest Celebration fundraising day with many different activities and ask that the children come to school in colours of the South African flag.-

The money raised will buy a new Wi-Fi modem or a bike for the trust to use. We ask for a £3 donation and your child will be given a plant to grow and care for.

We're Collecting

Morrisons are giving out 'It's good to Grow' vouchers for schools.

We're collecting this year as we are making a whole school effort to improve our outdoor planting areas.

Dates for Your Diary

8th Oct— Harvest Celebration Day
