

Home Learning for Class 5 – Week beginning 13.7.20

Hello Class 5! Here is this week's Home Learning! ☺ Remember you don't have to do all of it but it would be great if you gave some of these activities a go! Keep shining! Miss Morris ☺

Morning Task (a good way to get your brain working first thing in the morning) –
<https://www.morningchallenge.co.uk/home> - Click on the date and have a go at the tasks!

Maths

Please access White Rose Maths via the link below and select SUMMER TERM **WEEK 11** (N.B. It will be titled w/c 6th July due to our 2 week half term) - the lessons' focus is Angles and Shape .

<https://whiterosemaths.com/homelearning/year-6/>

Each day has a teaching video clip to watch, then you will need to access the lesson worksheets on our school website in the Home Learning Tasks section. The answers will be there too so you can check your work once you have completed it! (NO CHEATING!☺)

Additional Maths Activities

<https://play.ttrockstars.com/auth/school/pupils> (you can access your Times Tables Rock stars account).

<https://myminimaths.co.uk/year-6-arithmetic-practice-papers/>

This site has lots of arithmetic style questions to keep your brain switched on – scroll down and click on WEEK 11 PRACTICE PAPER – have a go at the questions and then check them in the answer section.

Quick Word Problems: click on the link and have a go at the questions!

<http://www.primaryhomeworkhelp.co.uk/maths/wordproblems/y6mathb.html>

English

This week's English is based around the LPDS Home Learning Read and Respond Unit (Week 11) also found under the Home Learning Tab. This week you will discover what it takes to become an astronaut, the exciting space explorations lined up for 2020 and beyond, and delve into the fictitious planet, Pandora.

NB – We looked at 'Pandora' in the Autumn Term – but didn't complete this particular activity.

Please do not feel that you need to stick to the daily plan – however, if your child is motivated then there is plenty of learning to keep you busy on here!

Regular Reading!

Use Oxford Owl for Home Reading!

My Class Name - **class5lea** password – **shine**

Reading Challenge - Lancashire's Libraries Summer Reading Challenge! Sign up and take part online... www.silysquad.org.uk

<https://www.lovereadings4kids.co.uk/> (you need to become a member – but it's free!)

SPAG

<https://www.bbc.co.uk/bitesize/topics/zhrrd2p>

Have a look at some of the games and activities found here!

Home Learning for Class 5 – Week beginning 13.7.20

Hello Class 5! Here is this week's Home Learning! ☺ Remember you don't have to do all of it but it would be great if you gave some of these activities a go! Keep shining! Miss Morris ☺

RE

#offtheshelf

Look at the image below. Discuss these key questions with someone at home and make some notes on your thoughts:

When you look at this picture what do you notice about the hands?

Who do you think the hands belong to?

What message they are trying to send through this picture?

Read Paul's letter in the bible (1 Corinthians 13:1-13).

Use Biblegateway.com to look up the passage in The Message translation of the Bible

<https://www.biblegateway.com/passage/?search=1+Corinthians+13%3A1-13&version=MSG>

Here you will find a list of what love is and isn't, written in a different way. Create a few more sentences of your own to add to the list, for example 'love always shares', love doesn't snatch'.

Paul states that love is the greatest. Do you agree or disagree? Have a discussion and then finish one of these sentences:

I agree that love is the greatest because.....

I disagree, love is not the greatest, is, because

P.E.

Have a go at the 7-Up ball game! All you need is a smooth, flat surface (a wall or a floor) and a bouncy ball! The rules of the game can be found here...

<https://www.verywellfamily.com/play-the-7-up-game-1256803>

Other Learning

I still haven't had all the children's prayers and memories for our virtual Leavers' Service – please could these be emailed to me ASAP or they will not be able to be included...

k.morris@leacofe.lancs.sch.uk

Please see last week's Home Learning Plan for details of what I would like them to do (Class 5 Home Learning 6.7.20)

Science

Have you ever ridden a roller coaster? Have you ever wanted to design your own? In this project you'll make one out of paper and tape, and learn about roller coaster physics along the way!

You will need: paper, tape, scissors, a ruler, a pencil, card and a marble!

Watch the video here:

<https://www.sciencebuddies.org/stem-activities/paper-roller-coaster?from=Blog#summary> Then follow the instructions!

Here is the link to the templates that will need to be printed!

<https://www.sciencebuddies.org/science-activities/paper-roller-coaster-template-v2.pdf>

Art – Street Art!

<https://www.bbc.co.uk/bitesize/articles/z9sq4xs>

Learn about the basics of street art, including some of the skills and techniques used so that you can have a go at creating your own masterpiece! This lesson includes: two videos about street art and artists and two activities for you to try.

Home Learning for Class 5 – Week beginning 13.7.20

Hello Class 5! Here is this week's Home Learning! ☺ Remember you don't have to do all of it but it would be great if you gave some of these activities a go! Keep shining! Miss Morris ☺

Newsround

Remember you can watch Newsround every day to keep up to date with what is happening in the world:

https://www.bbc.co.uk/newsround/news/watch_newsround

E-mail

Just a reminder of my email address if you need anything: k.morris@leacofe.lancs.sch.uk

Please feel free to send me a message or any photos/copies of the things you have been doing! I would love to see them ☺.
