Learning this Week

In our **RE** studies, we have been exploring the relevance of the Nativity good news today, and how it is celebrated. In **Mathematics** lessons we have focused on division and recalling multiplication and division facts for the x2, x5 and x10 tables.

In our **English** and **Geography** work we have been writing our own non-chronological reports about penguins and collecting information about polar bears.

In our **Science** work we have been finding out about the life of a polar bear cub, its habitat and the dangers or difficulties a cub may encounter in their daily lives.

Next Week

This will be an extremely busy and exciting week.

The children have been working hard to learn their lines and all the songs for our Christmas Nativity which we are looking forward to sharing with you.

We are also looking forward to our Christmas Lunch and Party on Monday, our visit to the theatre to see Cinderella and our school Christingle collective worship to mark the end of the school term.

We would like to take this opportunity to wish you and your families a happy, peaceful and joyful Christmas holiday.

Mrs Ramsay, Miss Turner, Mrs Edwards & Mrs Emptage.
