**This Week...**

Has been a very exciting week! We had a fantastic trip to The Wild Boar Park where we got to hold chicks, stroke rabbits, guinea pigs and lambs, toured the park, had a tractor ride and played on the park. We topped off the trip with an ice lolly before heading home. Although it was a little wet, we didn't seem to notice the weather! The staff at the park commented on how well behaved the children were and how lovely their manners were.

As I write this letter we are preparing to make our robots for the Parent Showcase. The children are very excited and have been designing their robots ready for modelling.

Thank you for all your donations of recycled materials.
