Year 2 Newsletter

Friday 6th May 2022

Our Christian Value this week is Thankfulness.
What are you thankful for?

Hello Parents and Carers,

It has been another busy week in Class 2 and the children have all worked extremely hard. I am very thankful for their enthusiasm and commitment to their learning. Well done everyone and keep shining!

Learning in Class

This week we have been focusing on comprehension and reading skills and problem solving in our maths activities. We have been finding out more about baptism in the Christian church and investigating seeds and patterns in our science activities. Do larger fruits have more seeds than smaller fruits? Why not investigate this using tomatoes or peppers this week when you are cooking? We have investigated oranges in class and examined different plant seeds using magnifying glasses to observe details carefully.
