"Let your light shine"

No. 3

18th September 2020

What an amazing week we have had. I feel extremely lucky to have the opportunity to help your child learn. The class are a wonderful class and they have all been absolutely fantastic in their learning this week. We have learnt some rhyming animal poems and we have also giggled at nonsense rhyming poetry. We have been practising our number formations and practising our counting. We have realised that counting in groups of 10 can be really beneficial for larger numbers.

Class 1 have been letting their lights shine showing how grown up and responsible they are now they have moved up to Year 1. It really is a privilege to see them grow.

If you have any questions or comments you would like to share please email me

Certificates

Diamond 9 - Flourish

Leon who is flourishing in his learning,

Star of the Week

Harrison who is always eager to answer questions.

Reminders

Reading

Please spend at least 10 minutes every day reading or sharing a book with your child. We will endeavour to change books as often as required.

Water Bottles

Please remember to send your child with a named water bottle every day to school. It will be returned home each day for washing.

Sponsor a child

Last year, as a school, we decided to sponsor a child through Compassion UK. Compassion UK is a Christian charity who provide unique relationships between sponsors and their children and ultimately they change people's lives for good! Compassion UK bring **Love** and **Hope** to children worldwide.

Our sponsored child is called Hamza; he is 6 years old and lives in Tanzania. The money we send as a school helps support Hamza and his family to live a life free from poverty.

This coming year we will be looking to raise the money needed of £28 per month to Hamza. Each class will have a month when they will raise the money as a team! Class 1 will be raising money in May 2021.

I hope you are able to support us in this worthwhile cause.

Learning in Year 1

English

We have been really great at remembering our letter sounds. We have also been revising how to write letters using the correct letter formation practising our handwriting and presentation skills. The class have enjoyed guessing the missing word of rhyming poems and impressed Mrs Seagrave with their rhyming skills when she came to visit our class.

Maths

We have been practising writing numbers 0 to 20 correctly. We have been doing lots of counting and counting in 10's. We will continue to identify and represent numbers using pictures. We will also use number lines to practice counting.

Now may the Lord
of peace himself
give you peace at
all times and in
every way. The
Lord be with all of
you.

2 Thessalonians 3:16
