

### Dates for the diary

11<sup>th</sup> February- Finish for Half Term at 3:15pm

21<sup>st</sup> February – INSET Day

22<sup>nd</sup> February- School Reopens

### Homework

Homework has been sent home this week in the yellow book. Homework needs to be in on a **WEDNESDAY** so that it can be shared with the rest of the class. Reminder to send in photos of you carrying out any homework to:

**j.moores@leacofe.lancs.sch.uk**

### Diamond 9

Our Diamond 9 word this week in class has been 'flourish'

### Classroom News

**Friday 7<sup>th</sup> January 2022**

**Happy New Year**

We hope you had a lovely restful Christmas holiday with your families, and we are glad to see everyone back in school this week.

This week we have begun our new topic- **Excellent Explorers**

We have talked about the 4 different Seasons in the year and talked about what clothing would be suitable to wear when it is hot and cold. In our Maths we have been looking at numbers to 5 and exploring what zero looks like. We have also been thinking about the new year and talked about what we would like to try and achieve this year. We have talked about how Jesus was a friend to many people, and we have thought about who is special to us and wrote Thank You cards. Maybe we could practise writing Thank You cards at home, for presents we got for Christmas from family.

### Next Week

We will be looking at sharing amounts out into groups and talking about equal and unequal amounts. We will also be looking at Neil Armstrong and finding out about his special mission in space. We will find out about the moon and explore how a moon buggy can move on the moon's surface.

Please ensure that your child is wearing the full correct uniform and has their reading bag in school each day.

**Curriculum Award – Olivia for fantastic writing of her New Year Resolution**

**Christian Value Award – Sophie for flourishing in her writing and all aspects of school**

**These children have let their lights shine brilliantly this week! Well Done**
