

Year 1 Newsletter

"Let your light shine"
18th June 2021

Year 1 have enjoyed many shopping trips this week in maths. We have been looking at coins and identifying the different coin values.

We have been going to the 'Beach Shop' to buy many different items and adding up prices of 2 items.

In English we are all becoming expert sentence writers! We are all trying our best to write longer sentences and to use our knowledge of letter sounds to write our words. Some of us have been demonstrating our fantastic imaginations by creating extended sentences.

Year 6 Cake Sale

Thank you for your generous cake donations. The sale was a great success.

The children enjoyed eating the cakes, as did Mrs Edwards and myself!

Diamond 9

This week is 'creativity'.
Year 1 are all extremely creative in many different ways

Our Christian Value this week **Forgiveness**

forgave you.*
