Home Learning for Class 3 – Week beginning 20.04.20

Hello Class 3, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, let your light shine! Remember that I am always willing to offer advice or help and I would love to see what you are up to. If you wish to contact me, my email address is r.bolton@leacofe.lancs.sch.uk

Maths

Please access via the link below and select ***Summer Week 1.***
There are videos which help guide you through the lesson as well as daily learning with different challenges.

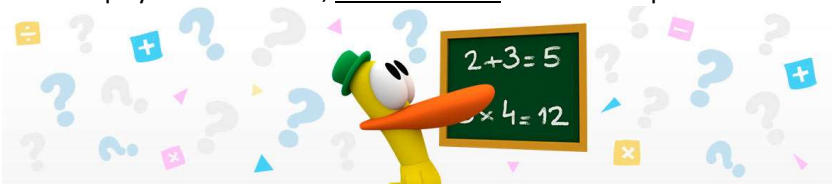

Year 3 - https://whiterosemaths.com/homelearning/year-3/

Year 4 - https://whiterosemaths.com/homelearning/year-4/

Please note Year 4 – it is a long time since we did decimals and this work is challenging. If you find it too difficult, DON'T WORRY!! Instead, do the fraction work from the Year 3 link as this will be useful revision.

As an additional resource, there are some games on fractions and decimals you can access following the link below
https://www.topmarks.co.uk/maths-games/7-11-years/fractions-and-decimals

Practise your times tables using Times Tables Rock Star or any other method which helps you. Remember, Hit the Button is also on Topmarks website.

English

For our Home Learning in English, I am recommending that you access the LPDS Home Learning Read and Respond Units found on the additional attachment to this plan. Remember, there is one for Year 3 and one for Year 4

Please do not feel that you need to stick to the daily plan – if your child is motivated then there is plenty of learning to keep you busy on here! However, feel free to dip in and out of the sessions, perhaps focusing on the tasks that you child needs more practise with.

Remember to read regularly – reading to your child and asking related questions is fabulous as well as hearing your child read independently

LoveReading4kids (you need to become a member – but it's free!) is a great website to find excerpts from age related books.

Other fabulous ideas

https://www.pobble365.com/ - really good website that I use with my daughter Alice. A different picture for every day, scroll down to questions and grammar tasks related to the picture

www.onceuponapicture.co.uk – similar to above

https://www.literacyshed.com/evol.html (Choose a category, a film link and have a go at answering the questions on paper in full sentences)

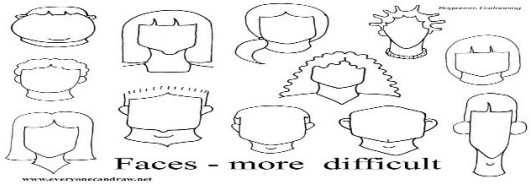

Home Learning for Class 3 – Week beginning 20.04.20

Hello Class 3, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, let your light shine! Remember that I am always willing to offer advice or help and I would love to see what you are up to. If you wish to contact me, my email address is r.bolton@leacofe.lancs.sch.uk

Other

Art – Create a sketchbook – sketch the garden and house
Draw your parents
Draw yourself and your siblings – you could do observational drawings or use a cartoon style to capture their personalities!

Remember to do some **exercise** each day – can you create an obstacle course in your garden/yard? Could you chalk a hopscotch grid on your drive?

You can watch **Newsround** every day to keep up to date with what is happening in the world in a child friendly way:
https://www.bbc.co.uk/newsround/news/watch_newsround

Wildlife with Steve Backshall on Facebook
Every day at 9:30am for answering all your questions on wildlife, conservation, geography and exploration.

Music with Myleene Klass on Youtube
Twice a week but can view anytime

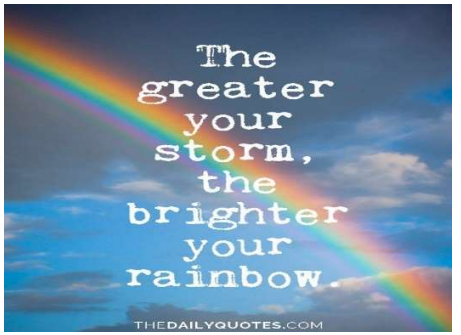

RE

Write a prayer to God, giving thanks for our wonderful NHS staff and all the other key workers who are working so hard during this time; bin men, postmen and women, farmers, shop workers, food producers, fire service, police and so on.

Draw, paint or collage a rainbow and write words of hope and thankfulness across the arcs.

Eg -

Try **RESOURCE 3** on the following link -
https://www.natre.org.uk/about-natre/free-resources-for-you-and-your-pupils/key-stage-2/
