Courageous Advocate

Rev Bernard Cocker set up and runs the charity International Aid Trust.

He began his work in Eastern Europe and has sent 200 tonnes of aid to Ukraine during their recent Ukraine Appeal.

Diamond 9

Our Diamond 9 word this week in class has been 'creativity'.

Reception Classroom News

Friday 22nd April

We have had a lovely first week back after Easter and have all come back ready to learn. We have started our new topic 'Into the Woods' and have been looking at the book 'Jack and the Beanstalk' and started growing our very own beanstalks. You can see these in our classroom window and we are excited to see whose grows the tallest.

We have begun to look at numbers from 10 to 20 and have been looking at ways we can make these numbers. We have been talking about baptisms in RE and we will be looking at what happens at a baptism and learning about Jesus' baptism.

Please can you send in any photos you have of your child at their baptism /naming ceremony so that we can share these in class for our learning next week.

Toy Sale

Thank you so much for your donations, we raised a total of £653.65 for British Red Cross.

Egg Decorating Competition

Well done for everyone who entered and took part in decorating an egg. There were some egg-cellent creations and it was egg-stremely hard to pick just one winner but the overall winner for Reception was Theo.

Curriculum Award – Xander for a fantastic attitude to coming back to school

Christian Value Certificate – Aaron for always telling the truth and constantly letting his light shine brightly

Now that Spring has sprung and the weather is getting warmer please ensure that your child has a water bottle every day. Please send in a named sun hat for your child to wear outdoors. Please apply an all-day sun cream on your child before they come to school.

You can provide sun cream to be kept in class so that your child can top up their protection throughout the day. Small travel sized tubes are best. Thank you.
