

Unfortunately I have not been in school this week due to isolation. I have, however, been keeping updated with the children's progress and have been delighted to hear that they have worked extremely hard in my absence! Well done children 😊 I am proud of you all. Also, a huge thank-you to Miss Watson and Mrs Emptage for keeping the Year 6 ship afloat this week 😊

As always, if you have any questions or concerns, please contact me via the school office or email: k.morris@leacof.lancs.sch.uk

This week in Class...

Maths

This week the children have been using negative numbers in contexts such as temperature. They have also been calculating averages for groups of data.

English

The children have been learning all about the 'Mars One' project; a plan to send humans on a one-way journey to planet Mars! The children have been thinking of reasons for and against this mission and they have written a discussion text that explores this.

Other News!

Parent Governor Elections

Parent Governor Ballot Papers are to be returned to school by Monday 24th January @ 12pm. Thank you.

Borwick

It was lovely to see so many of you at the Borwick Meeting last week. I hope you found it useful. If you haven't already done so, please could you return the 3B form and photo content form to Mr Bateman (28th Jan at the latest please). Thank you for your support with this.

Important Dates

OPEN DOOR – Monday morning 8:30am until 8:45am. Please feel free to visit our classroom and ask any questions you may have.

- Wednesday 9th - Friday 11th February – Borwick Hall Residential Trip (children to be in school for 8:30am on Wednesday and can be collected at 2pm on Friday).
- **Friday 11th February – school finishes @ 3:15pm for half term**
- Wednesday 16th and Thursday 17th March – Parents' Evening – more information to follow
- w/b Monday 9th May SATs Week for Year 6

Don't Forget!

- Please encourage your child to read each night and complete their reading records
- Homework is set on a Thursday and should be returned please, on a Tuesday.
- P.E. is on FRIDAY. Please can children come to school in their school P.E. kit on this day
- Interventions will be back on next week after school (MONDAY and THURSDAY) until 4:15pm. We will send a text to inform you if anything changes.
- The 'Space' project is due back to school on Tuesday 22nd February.

Special News

Congratulations to this week and last week's winners of my certificates 😊

Curriculum Awards

Emmanuel for beautifully presented work in all subjects and a fantastic poster about the planet 'Pandora'.
Oliver for his "Mars One" writing. He really tried hard to make his debate as informative as possible.

Christian Value Awards

Kara for making me 'thankful' – she works hard, never complains, is happy, forgiving and a good friend!
Jessica for always showing compassion to her classmates, especially when they are feeling un- well and need a friend.
