Our Christian Value this week is **Compassion**.
Who does Jesus show compassion to?

Hello Parents and Carers,

This children have worked extremely hard this week and put lots of effort into all of their learning.

Well done everyone and keep up the great work!

Learning This Week

This week we have been exploring 2d shape, quadrilaterals and polygons. We have enjoyed sharing our third story by Simon Bartram – “Bob and the Moontree Mystery”. We have explored settings in stories and created our own story characters. We have been observing and collecting data about the weather and explored how day length changes with the season.

In RE we have shared the story of Jesus and the children and explored different feelings in PSHE circle time.

Learning Next Week

Next week we will be writing our own adventures for Bob, using subordination for time in our writing and explore information texts to answer comprehension questions.

We will focus on the seasons of winter and spring in our science work, exploring hibernation and migration and sorting information.

We will continue to find out about Jesus and his friends in our RE work and discuss ways in which we can manage our feelings.
