Summer Term – 11/06/2021

THIS WEEK

It has been lovely to welcome Rogan and Mrs Jamieson into our class this week. The children have settled back into a productive routine of learning. In **Maths**, we are spending this half term consolidating and solidifying all our calculations work from the past year. We have tackled additions and subtraction problems in various forms. In **English**, we have begun a unit on Greek myths. We have explored the features and spent some time improving and understanding specific words used. In **RE**, we investigated mosques; how they are holy for Muslims and what worship looks like there. In **Science**, we investigated how humans change over time, focussing on childhood, adolescence, adulthood and old age. In **History**, we began our unit comparing Ancient and Modern Greece.

GREEK ODYSSEY HOMEWORK PROJECT

The project is to create a set of 10 Top Trumps cards about either Greek gods and goddesses or Ancient Greek mythical creatures.

STARS OF THE WEEK

The **CHRISTIAN VALUE** award for **FRIENDSHIP** goes to **Emmanuel**. He has made extra effort to welcome Rogan to our class and made him feel welcome.

The **CURRICULUM** award goes to **Lucy** for excellent work with applying her addition and subtraction knowledge.

COURAGEOUS ADVOCATE

This week, we learned about **Desmond Doss**. How difficult would it be, to be a Christian in a war?

SCHOOL UNIFORM

To help with pupils wearing appropriate uniform for PE, our suppliers in town are now stocking a zip hoodie with our school badge so children can wear conforming uniform on PE days.

I am also aware that several children are wearing black trainers rather than black school shoes. Please ensure your child is wearing correct footwear.
