Monday 21st July - Summer Disco - **KS1** 5-6pm **KS2** 6.15-7.15pm

Wednesday 23rd July - School closes for END OF TERM at 2pm.

Class News

It has been lovely to see all of the children come back to school ready for the final half term of this academic year. In class, over the past 2 weeks, we have been busy starting our new units of work. The children have loved getting to grips with the historical vocabulary from The Stone Age - ask your child about the Palaeolithic, Mesolithic and Neolithic Eras and how things changed during this time! In maths, we have been looking at time and converting units of time, as well as converting between analogue and digital time. In English, we have started our new class novel; The Wild Way Home by Sophie Kirtley. Class 4 have been writing some fantastic descriptions of the woodland within Mandel Forest and have planned their own free verse poem! In RE, we have been thinking about the Ten Commandments and their importance even now, in 2025. In Science, we have started our topic of 'Living Things' by dissecting flowering plants and looking at their male and female reproductive organs. In PSHE, we have been talking about our bodies and the functions of each part. I look forward to seeing you at our Class Showcase! Mrs Griffin.

'News Time'

Each Friday, we have some time to talk about a piece of news that your child would like to share with their peers. Please send in any pictures that they can share with the class, of anything that you do outside of school. Please send any pictures or videos (school ethos appropriate) to my e-mail address at the top of this newsletter. 😊
