Autumn Term – 14/12/18

### This Week...

#### Maths

This week we have been measuring and calculating area and perimeter. We have also revised some key areas of Maths and have been practicing our arithmetic skills.

#### English

We have read and analysed the famous war poem, "Dulce et decorum est" by Wilfrid Owen. We have also written our own descriptive poems about soldiers at war. We have also written about Advent and what it means to us.

#### Across the Curriculum

This week we have learnt about 'Propaganda' in World War One and how posters were used to for different purposes. The children have also designed their own propaganda posters. Additionally, we have been busy practising for our show next week and we have made Christmas Cards for the residents of Bethany House.

### Next Week...

Next week is set to be a very busy but very exciting week with lots of festive learning activities planned! On Tuesday we are visiting Bethany House residential care home for the elderly. The children will sing to the residents, give out Christmas cards as well as spending some time chatting to them and spreading Christmas cheer!
