Children can come dressed in Yellow, Black, Blue, Red, White or Green for a £1 donation

Learning this Week

In Year 2 we are very excited to be learning about robots. We have been writing about robots, drawing robots and we will be making robot models.

In **Geography** work we will be exploring our local area using atlases and maps. We will be creating our own maps to find important locations and recognising features in the local area using maps.

In our **RE** work we have been learning about Jesus' Ascension and the Pentecost; we have been learning about the importance of these two special events.

Homework

Reading - Please spend 10 minutes every day reading or sharing a book with your child.

Polite Reminders

- Open Door Monday 3.20-3.40pm
- PE Lessons Monday & Thursday
- Reading Please sign your child's diary every time you hear them read.

Learning next Week

In our **Mathematics** work we will learning more about time, sequencing intervals of time and interpreting simple tables of data.

Our **English** activities will continue to relate to robot adventure stories and we will continue writing fantastic setting and character descriptions using some amazing vocabulary

Our **Science** work will focus on materials and their uses. We have identified various properties of materials which can make them suitable for different objects found around school and our homes.

We are now investigating which materials are the best for their purpose, starting with a materials absorbcency.

Students of the Week

Star Writer - Daisy

Christian Value - Matthew

Curriculum Award Certificate - Tilly

A big "thumbs up" to our class members who have demonstrated consistent **Outstanding Behaviour** this week! Keep it up!

Erin, Elissa, Sienna,
Matthew, Isabella,
Florence, Kayla, Mia
