

This Week...

Maths

We have been further expanding our knowledge of negative numbers and how they are used in context. On Wednesday afternoon we started our weekly 'Guided Maths' session where we explored Maths reasoning problems, completed Y6 Skills Checks, practised Times Tables, recapped strategies for arithmetic questions and revised key skills with the laptops.

English

We have been researching the Mars One Project: a planned one-way trip to Mars for humans! The children have been looking at reasons for and against this project and forming their own views and opinions.

Thank you to everyone who attended the Borwick Hall on Wednesday night – information has been sent home for those who were unable to attend. Please return the forms to school by 7th February at the latest. Thank- you ☺

Next Week...

Maths

We will be recapping prime numbers, factors and multiples and using this knowledge to help us calculate with fractions. We will also be continuing with our Guided Maths on Wednesday.

We will be moving on to writing narrative in English. Using a short film: 'The Lighthouse', the children will be writing their own versions of the story.

- **We were completely overwhelmed with the whole school support for our 'Compassion Cake Sale' this week. Thank you so much to everyone who bought a cake and/or sent in a donation. We raised a massive £184 which is enough to Sponsor a child for 6 months! Once again, the children and parents at Lea Endowed have shown how we can love and care for others with compassion and kindness, just as Jesus intended. We will keep you updated with our Sponsorship when we have further details and we hope to do another fundraiser in the Summer Term. Thank you again.**
