Autumn Term - 02/11/2018

This Week

Welcome back! I hope you have had a very enjoyable and relaxing half term break. The children have returned with a good attitude to learning which I am excited for, in what is the longest half term of the year. In **English** this week, we have begun to look at our new focus novel of 'The Lion, the Witch and the Wardrobe'. We have explored in depth the main characters involved in this fantasy novel. The children have been very creative in how they have described them. In **Maths**, our focus has been on using a written method for multiplication. We have relied heavily in applying our times tables knowledge. Please continue in practising with them at home. In **RE**, we are exploring the holy books in other faiths. This week we explored how the Qur'an is used and memorised by young Muslims. In **Science**, we concluded our series of investigations about thermal insulation. We explored the impact of lids on maintaining heat in a warm drink. In **Art**, we began to explore Egyptian hieroglyphs and attempted to recreate writing using the bold colour choices.
