

# Class 4 Summer Term Round-Up

Wow, what a year it has been! I can't quite believe I am writing the Summer Term Round-Up! Class 4 have been working incredibly hard this year and it has been lovely to see them enjoying their learning. I have loved writing each and every report for Class 4, reflecting on their year and showcasing their learning journeys. They will be sent out to you next week, I hope you enjoy reading them! For so many children, the step up to Year 5 can be a huge transition, one that has been a challenge for some of Class 4 this year. I have been so proud of how every child has handled this change and they are an inspiration to Year 4 and 5 for next year. Similarly, it has been amazing to see the Year 4 children settle in so well with the Year 5s and thriving in the Class 4 environment. I look forward to our Year 4 of 2025 welcoming their peers into Year 5 in September, as fantastic role models for behaviour and learning. We have had a year of amazing experiences; including trips to Borwick Hall, themed days galore and getting hands on in lessons such as; History, Science and Computing. It has been wonderful to see many of Class 4 embracing every opportunity and becoming beacons of light in our school community. We have seen new members of the "Extra Miler" and "Ethos" Group, which is a testament to this class and their amazing, hard-working attitude. We have welcomed new pupils this year, who have settled in and become a part of our class family in no time. The children have handled these changes, including two of their friends leaving class, incredibly well. It has been special for many members of our class to share their cultures and religion with their peers, celebrating the wonderful diversity within our class family. I want to thank all of the children for working hard this year and making fantastic progress and a huge thank you to you for your continued support and kindness. Best wishes, Mrs Griffin.

## Certificate Winners:

### Week 5

**Christian Value** - Lacey

For being a wonderful help to Miss Watson while Mrs G was off ill!

**Curriculum Award** - Kobi

For listening carefully in maths and using his knowledge to calculate the angles in a triangle.

**Star Writer** - Archie

For writing thoughtful answers when learning about online relationships in Computing.

### Week 6

**Christian Value** - Wiktorja

For an amazing attitude to learning and embodying our Christian values every day!

**Curriculum Award** - Leon

For trying your best this year and making fantastic progress!

**Star Writer** - Zachary

For an amazing effort in writing and trying super hard with your spellings!

Class Of  
2025

### PE UPDATE FOR 25/26

As of September, we are going to ask that all children come to school dressed in their PE kits for their PE day(s). We have found that changing takes away learning time and we have limited space in school for changing. We appreciate this is a big U-turn, but we believe it is in the overall best interests of the children's learning. We will be implementing it as soon as we return to school in September. We will let you know which days are PE days in September.

### Water Bottles and Bags Update

As you begin preparations for next year, please note that children only need to bring their coat and reading folders into school. As a school we are limited on space and rucksacks and large bags are not necessary. Also, **NO** large water bottles/ Stanley's due to space within the classroom. Thank you

We have had a fantastic year this year and we would like to send all of Year 5 our best wishes for Year 6. The children who started in Class 4 with me in Year 4 will always hold a special place in my heart as my first class at Lea Endowed, and we will miss them when they go up to Year 6! All of Year 5 have had a brilliant year and we can't wait to see what your next chapter brings you. Have a wonderful summer and we look forward to welcoming our Year 4s back as Year 5s in September!  
Mrs Griffin and Miss Turner. 😊
