

Class 4 Home Learning (until 22/07/20 - and over the Summer Holidays)

Hi Class 4, this is your last full week of Home Learning so, this week, I am sending something different to go alongside your English and Maths. You may pick and choose from these Superhero themed ideas. I have tried to match the colour of the box with the area of the curriculum it is linked too. Try to mix it up and do a variety. If you are looking for ideas to do during the Summer Holidays then continue to complete tasks as you wish. Please send me the work you produce at d.bateman@leacofe.lancs.sch.uk
