

## Our Christian Value this week is HUMILITY

## This Week

This week, we have been applying all our learning about Boudicca and writing a non-chronological report. We remembered all the features we needed to include and we practised our Computing skills to cut, paste and resize images. In Maths, we have continued to focus on Fractions. This is a tricky concept and the children are trying hard with it. Again, knowledge of multiplication and division really helps and the class are showing their competitive streak in the Times Tables Rock Star battle! In our Science this week, we have created a gorgeous wall of botany – I was very proud of their observational drawings ☺

## Contact

A reminder that Class 3 has an Open Door every Tuesday at 3.20pm until 3:40pm – please come along and ask any questions you may have. If there is an issue with your child, please contact me in the first instance; either catch me on the Lea Road gate in a morning or e-mail me at [r.bolton@leacofe.lancs.sch.uk](mailto:r.bolton@leacofe.lancs.sch.uk)
