Friday 23<sup>rd</sup> April 2021

Our Christian Value this week is **Humility**.  
Can you think of someone who shows humility?

## Courageous Advocate

Our advocate this week is Connie Ten Boom. What did she do to help others?  
"Never be afraid to trust an unknown future to a known God."

Dear Parents,

What a lovely week we have had with the gorgeous spring weather. The children have enjoyed being outside and exploring the beauty of nature this week as well as learning about plants in our local school environment. What types of plants do you have at home, or nearby at the park? Are they cultivated or wild plants?

## Learning This Week

This week in class we have continued reading our class story 'The Secret Garden' by Frances Hodgson Burnett. We have focused on the suffixes **\_ly** and **\_less** in our grammar and spellings work, and shared our ideas about key characters and made predictions about what will happen next in our story. In our maths work we have been exploring number sequences, finding one more and one less and ten more and ten less. We have been practising our times tables and revising our phonics for writing.

Our science work is focused on wild plants and the children have completed surveys of plants in our school grounds and examined and planted flower bulbs for our studies.

In our RE work we have shared the first part of Joseph's journey, the dreamer, discussing symbols and retelling events in the story.
