## Autumn Term - 06/09/2019

### This Week

We have had a fantastic start to the year. All the children have settled quickly into the class routines and have strived to do their best in all the activities undertaken so far. In **English**, we have focussed on our handwriting and punctuation to establish a good foundation. In **Maths**, we have worked on times tables and a few key skills. In **RE**, we have written prayers of thankfulness that can be read at lunchtime before eating our food. In **Art**, we began to use some of the key skills for this term. In **Computing**, we established our Online Safety rules. In **PE**, we began our netball unit.

### Behaviour

All children have made an excellent start to Class 4. Their attitude to learning and desire to follow the established rules has been very encouraging. I hope this will continue.
