**This Week...**

We have been busy getting used to having our own books for different subjects. We have been learning about how to set out our work. In English we started reading the book Mrs Armitage on Wheels. We have been using describing words to describe the main character.

In Maths we have been counting in 1's and 10's and making a photo picture line. We have been focusing on how to form our numbers correctly and will be revisiting this until all numbers are formed correctly. I have sent home some rhymes to learn for homework that help support formation. Please go over these at home.

**Next Week....**

In English we will be continuing to look at the book Mrs Armitage on wheels and learning the story.

In Maths we will be ordering numbers and writing multiples of 10s.

It was great to meet some of you on Tuesday night. If you weren't able to make it, don't worry, I have sent home the information home with your children. One of the most important things to note is any messages need to be passed via your child's reading record or the office. We don't check bags. Also, water bottles need to come home daily as we are unable to fill and wash them in school.
