Harvest Events

This year we are delighted to be supporting the 'Mother's Union' in Burundi, a Christian charity, which helps families worldwide. Situated in East Africa, Burundi is one of the poorest countries in the world. 71% of the population live on less than £1.50 per day. 92% of the population work in agriculture. The 'Mother's Union' is raising money to fund a project that will support women through developing their literacy, business and agricultural skills. The project aims to educate the people of Burundi to farm the land to its full potential. In "Loving God and Loving Others", we want to play a small part in making a big difference to help the women of Burundi to flourish. We plan to hold a 'Sponsored Gardening Session'. This will allow us to raise money for Burundi, whilst encouraging our children to look at God's wonderful world as they care for our school grounds. We will also be holding a Non-Uniform day on Wednesday 5th October (the children can wear the colours of the Burundi flag: red, white and green) in return for a £1 donation. Please look out for the sponsor form coming home next week.

Thank you for any support you can give.
