

## Class 3 Newsletter

Autumn Term – 6.12.19

### This Week...

We have had a very busy week, not least ducking and diving through all the bugs and illness that still linger! We have been really flourishing with our singing this week, practising for our Christmas Production and for the Christmas Light Switch On which was held on Monday. We have started our new English unit on shape poetry and created beautiful poems about bubbles. We also played Anthony Browne's Shape Game where we took a line for a walk across our page before creating something new and creative! Class 3 have been exploring 3D shape in Maths, learning about the properties of each shape and using given criteria (or our own) to sort them. Some of us looked at nets of shapes and also learned some more unusual 3D shapes such as the ovoid.

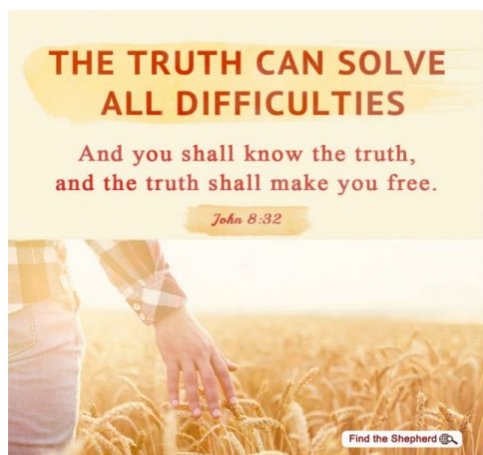

### Next Week...

We shall be looking at the next stage of God's Big Plan next week, celebrating the incarnation and the awe and wonder of Jesus' birth. Our English shall concentrate on this joyous event and we shall be performing the story through drama as well as writing a shape poem and creating a Nativity Frieze. We shall be comparing the diets of different animals in our Science and learning about how this affects their habitat and their bodies. Of course, there will be plenty more singing practise and Miss Wilson will continue with her Wise Man Rap during Music sessions. We will be doing a lot of using and applying of skills during Maths

### Important Dates

### **SONGS, SONGS, SONGS!**

This week the children are bringing home the words to the songs we shall be performing for our Christmas production. It would be very beneficial if, as part of their homework, they can run through the songs with you, as we would like all the children to memorise the words to all songs. The words can be kept at home and looked at regularly. Many thanks.

### **Thank You!**

A huge thank you to all parents, carers and other family members who supported our PTA Christmas Fayre on Wednesday. There was a super atmosphere in school and everyone seemed to have a lovely time visiting all the stalls, sharing time together in the Christmas Café and visiting Santa. We will let you know how much money has been raised as soon as we have the final total.

### Parties

On KS1 Party Day – Friday 13<sup>th</sup> December, Christmas Lunch will be served to KS1 children and **ALL KS2 children will need to bring a packed lunch.**
