## Autumn Term - 23/11/2018

### This Week

Thank you to those parents who attended Parents' Evening. If you were not able to make it, I will be contacting you to have a phone conversation about your child's progress within the next week.

In **English** this week, we have finished the writing of a supported chapter of 'The Lion, the Witch and the Wardrobe'. The standard of our writing when we have written a paragraph a day has improved immensely. We then gave ourselves a break then wrote our own chapter independently, aiming to use all the grammar features. In **Maths**, our focus has been on dividing using written methods. In **RE**, we explored and investigated the two Biblical accounts of the Christmas story and sequenced the events that took place. In **Science**, we investigated the process of dissolving using a variety of powders and warm and cold water. We also had a visit (as a whole school) from Scientific Sarah from Mad Science. In **PE**, we continued to adapt, improve and add features to our gymnastics routine. We also carried out some Maths, Reading and Grammar assessments.

### Next Week...

**English:** Fire! (Introduction to Newspaper Recounts)

**Maths:** Place Value including Decimals

**Science:** Planning a dissolving investigation

**RE:** Common misconceptions surrounding the Biblical account

**History:** How Egypt was governed
