

Diary Dates

22nd March – Parents' Evening
(it will be a 'number withheld' call)

Homework

Please could you read regularly with your child and play any phonics games that we put in your book bag. Thank you

Courageous Advocate

Matt Redman is a worship leader and singer- songwriter who has won 2 Grammy Awards.

Which of his songs won the Grammy Awards?

Diamond 9

Our Diamond 9 word this week in class has been:

Unique

Classroom News

Friday 19th March 2021

This week we have had lots of fun exploring 3D solid shapes. We looked at different 3D objects and realised that they look different when viewed from different angles.

We looked at some common 3D shapes and explored their properties by building with them. Some of the shapes weren't very good for building with – ask us which ones!

We have listened to the next part of the Easter Story – the Last Supper. The children could explain why we call it **Last**. In English we have thought about things we feel passionately about. We wrote about why we feel strongly about these things. We made posters to remind people about hygiene and safety. Look out for a selection of our posters on the school fence and wall.

Next week...

We will continue our work on 'Handa's Surprise', retelling the story and creating story maps. We will explore transient art and will create masterpieces out of natural materials. We will look at what happened to Jesus and the disciples in the garden of Gethsemane. We will be revising simple addition and using our tens frames to explore numbers.

Thank you very much for your donations of spare clothes. We are very appreciative.

Please could you remember to send a bottle of water to school every day? Thank you.

Curriculum Award – Eliza, for spotting some complex patterns and continuing the sequence.

Christian Value Certificate for Courage – Harrison, for building a fantastic obstacle course, and fearlessly balancing and jumping off it!
