HOPE

"Let your light shine." Matthew 5:16

Welcome back to Summer 2- Phew! What a scorcher of a week. For those of you who love the sun and the heat, I hope you're enjoying this gorgeous spell of sunshine but my heart goes out to those who struggle with the high temperatures. The children have coped incredibly well in school; thank you to all those parents and carers who are remembering the three essentials, every day: water, hats and suncream. We have an extremely busy half term ahead and as we move towards the final few weeks of the school year, I pray that we will have a peaceful and exciting final half term of learning together. As always, please don't hesitate to get in touch if you have any concerns or things to celebrate.

Drowning Prevention Week

Next week we will be sharing invaluable lessons on how to stay safe near water. Please talk to your child about the potential dangers of water.

Parking & Road Safety

I passed on by text, to all parents this week, a message from the driver of the "School" Bus, that some parents are parking without care and consideration on yellow zig zags etc making it both challenging and dangerous to drive & park the bus. Please park and drive safely, legally and courteously around school. Unfortunately, we are **NOT** allowed to use the turning circle for parking. The road cones have not been put there by me but I am very concerned about the safety of the children

A message from Abi, who has been incredibly busy washing and organising all the uniform to recycle on our UNIFORMD platform...

Thanks to those of you who have supported Uniformd so far, whether that's through donating outgrown/unused items, or purchasing uniform for your child.

- **As Summer approaches, ALL our current stock has been reduced to £2 or below!!!**
- Uniformd is an easy-to-use platform; there to help families save money, prevent waste and raise funds for our very own PTA.
- Please contact me if you have any queries or uniform donations (incl. PE kit, school coat, bag, shoes...)
