Upcoming Diary Events

A big thank you to all parents and carers who were able to attend Sports Day ☺

Tuesday 9th July - Year 1 and 2 Trip to the Wild Boar Park

Thursday 18th July - Sponsored Silence (please help raise funds for a new school gazebo)

Learning this Week

In Year 2 we have written amazing stories about robots and their adventures. We have been thinking of wonderful words to use to enhance our character descriptions and setting descriptions.

In **Geography** work we have been using OS maps to locate our school. It was very helpful that Earl's Farm was marked on the map which made it easier to find which school was ours. We will continue exploring our local area using atlases and maps to create our own maps.

In our **RE** work we have been learning about Jesus' Ascension and the Pentecost; we have been learning about the importance of these two special events.

Homework

Reading - Please spend 10 minutes every day reading or sharing a book with your child.

Polite Reminders

- Open Door Monday 3.20-3.40pm
- PE Lessons Monday & Thursday
- Please bring PE kits and pumps to school for Monday
- Please sign your child's diary every time you hear them read.

Learning next Week

In our **Mathematics** work we will continue learning about time, sequencing intervals of time and interpreting simple tables of data.

Our **English** activities will focus on poetry. We will be reading poems and collecting our favourite words and phrases to write our own.

Our **Science** work will focus on materials and their uses. We have identified various properties of materials which can make them suitable for different objects found around school and our homes.

We are now investigating which materials are the best for their purpose, starting with a materials absorbency.
