## Autumn Term – 16/10/2020

### This Week

This week, in **English**, we have done a great amount of 'word work' based on 'The Lion, the Witch and the Wardrobe'. We have been finding synonyms, expanding our vocabulary, then using this improved vernacular to describe settings and characters. In **Maths**, we had an addition and subtraction focus. We have used a written method to solve both operations. In **RE**, we grappled with the temptation of eating a Malteser, then thought about why we like to give into temptation, but how God had helped 'lead us not into temptation'. In **Science**, we began to conclude our unit on Solids, Liquids and Gases by exploring the Water Cycle. We used '4 big words that end in shun' to help us. In **Art**, we used the blending technique with oil pastels to add 3D texture to our lilies artwork. In **Geography**, we finalised our posters on how to care for and protect rivers and canals.

### Harvest Appeal 2020

For our Harvest Appeal this year, we are hoping to support **Tearfund**, a Christian charity passionate about ending poverty. **Tearfund** is changing lives in Ethiopia, working to set up solar powered wells, which will bring clean water closer to communities. We believe that we all have an amazing God given potential to create positive change so let's use it! Every member of our school family will be tasked with walking **ten** laps of our school field (1 mile and collectively over 150 miles in total!) whilst carrying a bucket of water. This represents the **ten** miles some Ethiopians walk each night through dangerous territory, to collect water for their family and livestock.
