Autumn Term – 11.10.19

This Week...

The children have blown me away with their fabulous interpretations of The Tin Forest story which we have spent most of this half term studying. They used rich language, fabulous sentence structures and exciting plots to create wonderful pieces of writing. We enjoyed doing the Bog Eyed Jog on Tuesday so please send in sponsor money as soon as possible. Our work on Harvest has continued with us learning about the Jewish festival of Sukkot.

Next Week...

The children will be looking at Harvest around the world this week as a cross curricular RE/English unit. In our Guided Reading sessions, we shall explore how different countries celebrate the harvesting of their crops and how this stems from the amazing Creation that God gifted us with. We shall experiment with sound poppers in our Science, exploring how we can affect volume and pitch. We shall also be making our own Sukkahs.

The children had an exciting PHSE lesson last week. They were tasked with the job of 'growing £5' The children decided to spend the £5 on ingredients. They costed this as part of their understanding of financial capability. They then baked cakes and sold them to the rest of Key Stage 2, making a profit of over £20. Using the British Value of democracy, the children then voted and decided to send the money to the World Wildlife Fund. I am very proud of Class 3 living out the Christian message of thinking of others, and appreciating the amazing animal kingdom that God has created for us all. Well done!

BISHOP'S HARVEST APPEAL

New Date!

On **Thursday 17th October** we are having a **Harvest of Hope Toy Sale**. The children will then be able to buy each other's toys and can bring up to a maximum of £5 to spend at the sale.

We are still collecting toys to sell at the sale. Remember, the more toys we collect, the more toys we can sell and the more money we can make. Thank you for the excellent response so far.
