Blackpool

Friday 20<sup>th</sup> December- FINISH for Christmas at  
2pm

### Reception Newsletter

Friday 8th November 2019

### Classroom News

This week in class we began the week by looking at all the wonderful zoo animals that were created at home over the weekend. It was lovely to see how much time had been taken to make those and I'm sure the children enjoyed every part of creating them. We have talked a lot about zoo animals this week and the type of animals that we can see there. We have been drawing some of our favourite animals that God created.

On Bonfire Night we talked about fireworks and thought about all the noises and colours we can see when these are in the sky. We learnt why we celebrate this night and how to stay safe with fireworks.

In Maths we have continued to look at numbers up to 20 and have been putting them in order and counting out amounts.

### PE Kits

Please check clean washing at home as a number of children are still missing items of clothing. Please make sure each item of your child's PE kit is named

**IMPORTANT - Parking is limited around school and is a concern for all. Now that the children have been in school for over 2 months, to help ease traffic and not put children in danger, please drop your child off in the school playground and leave immediately so that spaces can become available for other children being dropped off. Thank you.**

### Coats

A number of children can still not put on their own coat so please take the time this weekend to practice with your child putting on and taking off their coat and fastening buttons and zips.

### OPEN DOOR

This is an opportunity for you to discuss your child's progress and look at the work in their books and in the classroom. Open Door is each Wednesday at 3.30.

Curriculum Award – Kobi for becoming more independent and confident in class.

Christian Value Certificate for Hope - Leon for coming into school independently.
