

Welcome back! It is set to another busy and exciting half term in school!

This Week...

Maths

This week we have been practicing strategies for addition and subtraction calculations. We have also been looking at the Maths tests we completed at home and seeing where we were successful and where we need to improve!

English

We have been watching a short film called 'The Lighthouse'. From this we have been writing our own versions of the story. We have also been looking at the English tests we completed at home and seeing where we were successful and where we need to improve!

Across the Curriculum

This week we have participated in 'BIBLE EXPLORER' – we have started an interactive journey through the New Testament! In R.E we have been answering the question 'Who is Jesus?' using verses from the bible. In Science we have been learning about the phases of The Moon.

Next Week...

Maths

We will be looking at measurement, ratio and proportion as well as revising key skills for arithmetic.

English

We will be continuing our work on 'The Lighthouse' – the children will be continuing their own versions of the story. At the end of the week we will be starting a new class novel: 'The Boy in the Girl's Bathroom' by Louis Sachar.

Borwick Hall Residential Trip.

Borwick Hall was an amazing experience for the children! It was fantastic to see their confidence and independence. The behaviour of the children was fantastic so a BIG THANK-YOU to them all.

THANK – YOU!

- A BIG, BIG thank-you to all parents for supporting the children with their holiday homework pack!
- Also thank you so, so much to all who came to the SATs meeting before half term. I really value your support in helping your child to achieve the best they possibly can. All information from this meeting is on the website in our class area.

Don't Forget

- Homework is to be returned to school on a MONDAY please! I would greatly appreciate it if you could support your child at home with their homework – any problems then please let me know!
- This year our Lent Appeal will be supporting 'Help Refugees' – More information to follow.
- Please see the school website and email to Parents which contains important information regarding Online Safety concerns after recent events in the news.

Special News!

Curriculum Certificate – Russell

Christian Value – Hope – Rubie

Writer of the Week - Jess

This week there have been some instances of disruptive and rude behaviour from some children in Class 5 and I have had reports of bad language being used on our playground. Myself and Mrs Seagrave have spoken to the children about our expectations and about making good choices. They have been warned that repeats of these incidents will come with consequences such as loss of privileges and phone calls to parents. I hope you will support us in ensuring the children are following school rules and 'choosing the right track'. We want to nurture their behaviour now at Lea Endowed in order that they will continue to flourish once they start high school in September.
