

Year 1 End of Year Round Up

It has finally come! Time for the Year 1's to say goodbye to the 'Tree House' and take that next step in their Primary Career as they step up to Year 2.

It doesn't seem that long ago since we began our Little Wandle journey as we all pioneered the new scheme of reading and the new way of reading books at home. The children enjoyed learning about how Jewish people celebrated Harvest and they busily made their Sukkah shelters with Mrs Robinson and Mrs Bamber.

Christmas brought lots of excitement and the panto 'Beauty and the Beast' was enjoyed by all. The children channelled their own creative acting abilities as they performed our Christmas Nativity, 'The Midwife Crisis'. We have been singing 'Baa Baa Bethlehem' ever since!!

As the New Year set in the children had lots of fun making their puppets of all shapes and sizes, utilising their skills and calling upon your help in the Parent Showcase.

At Eastertime we enjoyed the promise of Spring as we observed the seasonal changes around us. Many of you used nature to create an Easter Garden and we enjoyed performing Palm Sunday in the school Easter Service.

As the days have been warmer, we have worked hard at challenging ourselves to complete the Lea Mile.

We had a fantastic time on our school trip to Brockholes this half term. The children had fun making pictures from nature, painting trees and pond dipping. But the most exciting part of the whole day was getting to eat their own packed lunch!!!

Last week we looked at the personal goals we had set ourselves way back in January. Some of us wanted to get better at running, which they showed us in their huge efforts at Sports Day. Some of us wanted to get better at Phonics and they have certainly impressed us with their recent Phonics scores! Others wanted to get better at cycling, swimming and gymnastics and have been excited to tell us when they have mastered a new skill. They are all unique but together we have all worked as a fantastic team!

What a busy Year it has been and what an adventure we have been on. We hope you have a fantastic Summer and look forward to seeing how you have grown as you move into Mrs Ramsay's Class. Thank you for all your hard work this Year!!

With Love from
Mrs Lucarelli and Mrs Bamber
