

Home Learning for Year 1 – Week Beginning 04.05.20

Hello Year 1, I hope you are keeping well and staying safe. Here are some ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all of the tasks but try to have a go, and as always, let your light shine. If you need any help or assistance, contact me at a.lucarelli@leacofe.lancs.sch.uk.

Maths

Please complete the daily lessons on White Rose. Follow this link:

<https://whiterosemaths.com/homelearning/year-1/>

and select Summer Term Week 3 (w/c 04 May). The worksheets are no longer online but can be found via the Home Learning tab on the website. Again, work at your child's pace. You may not get through all the lessons or you may find the lessons are too easy and you need to move to the Challenge section.

Challenge

- For further activities you could join 'The Maths Factor' created by Carol Vorderman.
<https://www.themathsfactor.com/>
- Or Additional Maths activities to support your child's learning can be found on the Discovery Education website. Let me know if you need the log in information. <https://www.discoveryeducation.co.uk/> Login and select Espresso. Select KS1, Maths and access the relevant sections.

English

Daily activities can be found on the LPDS document found on our class area. This week we are looking at 'The Highway Rat' by Julia Donaldson.

Spellings

The -tch sound. Try to learn the following 5 words:
catch, fetch, kitchen, notch, hutch

Phonics

Please click on to:

RE

In our Home Learning Class section

https://www.leacofe.lancs.sch.uk/website/year_1/470654

You will find some 'Off the Shelf' resources. Choose a picture and then have a go at some of the questions/activities linked to the picture. If you have siblings in school you could do this together. We will be doing a different picture each week.

Practice forming the following letters with the correct formation (you will need lined paper and a sharp pencil!)

REMEMBER - All letters have an ascender so the main body of the letter should not go above the imaginary half way line but the 'stick' will. Do not take your pencil off the page until the letter is drawn.

b

d

h

k

Whoosh in and up tall and back down, then halfway up and all the way round. Add a lead at the end, so b can join onto a friend.

Whoosh up halfway and go around, then all the way up and back down. Kick out d's toe, and she's ready to go.

Whoosh in and up tall, and then down. Halfway up, bend over and flick off the ground.

Whoosh up tall and back down. Go halfway up and around. Go down and out with a flick, your k is ready to kick.

Other

IT - Log onto <https://www.discoveryeducation.co.uk/> and select 'coding'. Select Unit 1A 'On the move' and work through lesson 1. (if you are really enjoying this activity you can move onto the following lessons too)

Science - A fun colour changing experiment at <https://funlearningforkids.com/color-changing-flowers-science-experiment/> you will need white flowers and food colouring for this activity. There are worksheets to complete if you are able.

PE - There are some great Disney themed activities on the Change4Life website: <https://www.nhs.uk/10-minute-shake-up/shake-ups>

Art/DT - can you create a sock puppet (or another form of puppet) for the 'Highway Rat'? You could use your puppet to re-tell the story.
